

# MUZHI ZHOU

I am a **post-doctoral researcher** in the field of life course studies, gender studies, demography, and sociology. I study how critical life events, such as the transition into marriage/parenthood change people's lives. I also work on how children and the elderly spend their time, especially their digital time and its implications. My work has been published in *Gender & Society*, *Demographic Research*, and *Chinese Sociological Review*.
